Applicable to State or Federal Cooperative Domestic Quarantines for the Emerald Ash Borer (*Agrilus planipennis*) pursuant to the Insect Pest and Plant Disease Act (505 Illinois Compiled Statutes 90/1 et seq.)

I acknowledge State and Federal regulations governing the Emerald Ash Borer (EAB) and "regulated articles"*. When working within and near EAB Quarantine Zone(s), I agree to supply records that may be required for inspection. I agree to comply with the procedures listed in this agreement or with other procedures as required by the Director of the Illinois Department of Agriculture:

1. Regulated articles shall not be moved out of quarantine zone(s) unless chipped/processed to a size measuring **less than 1.0 inch in two dimensions.** [Processing sites located outside quarantine zone(s) may accept regulated articles from September 1 to April 30 if the accepted materials are processed to a size measuring less than 1.0 inch in two dimensions prior to April 30 and the site accepting the regulated articles is covered by an active State of Illinois Emerald Ash Borer Compliance Agreement];
2. All ash stumps will be ground to eight inches (8") below the soil surface and covered with soil;
3. Employers will inform their employees about the EAB Quarantine Zone(s) borders and about EAB Quarantine regulations. Employers will also instruct employees how to identify the EAB and its signs;
4. The Illinois Department of Agriculture will be informed of any suspected EAB infestation;
5. A copy of this Compliance Agreement will be carried by employees working within EAB Quarantine Zone(s);
6. Per this agreement, ash products, ash nursery stock and/or live ash trees that originate from or are brought into a quarantine zone may not be removed from the zone, and may be subject to confiscation and destruction; and
7. Movement of ALL deciduous (non-coniferous) firewood out of or through the quarantine zone(s) is prohibited, regardless of initial origin.

"Regulated Articles" are hereby defined as the following:

1) The Emerald Ash Borer (*Agrilus planipennis* Fairmaire) in any living stage of development;
2) Ash trees (*Fraxinus spp.*) of any size;
3) Ash limbs and branches;
4) Any cut non-coniferous firewood;
5) Bark from ash trees and wood chips larger than one inch in two dimensions from ash trees;
6) Ash logs and lumber with either the bark or the outer one-inch of sapwood or both, attached;
7) Any item made from or containing the wood of the ash tree which is capable of spreading the emerald ash borer;
8) Any other article, product, or means of conveyance when it is determined by the Director of Agriculture that it presents the risk of spread of the Emerald Ash Borer in any stage of development.

Affixing of the signatures below will validate this agreement which shall remain in effect until cancelled. This document may be revised as necessary or revoked for noncompliance by the Department.
