## 37<sup>TH</sup> ANNUAL TREE PROGRAM ORDER FORM

---

Join the Village's reforestation efforts by ordering trees for fall planting in your yard. The trees are purchased through the Suburban Tree Consortium (STC), which is comprised of 30 municipalities in the western suburbs who banded together to contract with Wilson Nurseries, of Hampshire, Illinois. Although there is no guarantee that accompanies the tree, mortality within the consortium has been approximately 1% in recent years.

Because the trees will be dormant at the time of delivery, conditions will be ideal for the development of a healthy root system. However, since deliveries are not until October 10, residents are urged to plant their trees promptly after receiving them to avoid any danger of freezing or drying. Since the trees are grown locally, they are well-adjusted to soil conditions. Also, since they are balled and burlapped, the trees adapt more readily to their new location and do not require extensive pruning.

Please remember that under the provisions of the Village's tree regulations, a permit must be obtained if any of the trees purchased through this program are to be planted in the parkway. There is no fee for the permit; however, your application should be approved before you accept delivery.

As shown on the order form, the following trees will be available for purchase. Some quantities are limited and are first come, first serve. Pictures are available for inspection at the Village Hall:

**Autumn Blaze Maple - 2" caliper** - Height to 50 feet. Brilliant and long lasting orange red color. Broadly oval form with medium green foliage. This maple is fast growing and will benefit from pruning. **\$195**

**Skyline Honeylocust - 2" caliper** - Height from 35 to 50 feet. Rapid growing small leafed shade tree. Pyramidal form with dark green leaves turning to golden yellow in the fall. A tough tree, good for harsh sites. Salt tolerant. **\$264**

**Espresso Kentucky Coffee Tree - 2" caliper** - Height to 60 feet. Dense pyramidal form with dark green, heart-shaped leaves that turn yellow in fall. Fragrant flowers in June. Tolerant of harsh soil conditions. **\$225**

**Autumn Gold Ginkgo - 2" caliper** - height to 45 feet. Slow growing, low maintenance with no significant negative characteristics. Narrow form in youth turns broadly pyramidal with age. Unique, fan-shaped leaves turn an outstanding gold in the fall. **\$295**

**Chanticleer Callery Pear - 45 gal container - 2" caliper** - Height to 40 feet. Narrow dense crown with distinctive and refinished pyramidal form. Covered in white flowers in the spring, glossy heart-shaped leaves turn reddish purple in the fall. **\$180**

**Ivory Silk Japanese Tree Lilac 2"**- Height to 25 feet. Large plumes of small creamy-white flowers smother branches in early summer. Shapely oval form. Young stems have cherry like reddish brown bark for winter interest. **\$220**

**All trees are limited availability. Confirmation of order will be given within 2 business days of order receipt.**

**Orders must be placed no later than Monday, October 3rd, 2016. There is a delivery fee of \$10 per tree. Tree delivery will begin Monday, October 10th and trees will only be delivered to the driveway, we do NOT plant them for you.**

**TREES CARRY NO GUARANTEE.**

### **FALL BRUSH PICKUP**

**Begins Monday, October 10. Please have all branches at the curb no later than 7:00 a.m. This applies to the entire village.**
