Village Center Sold To Local Family Realty Group-Edwards Realty Company and Core Acquisitions

The Burr Ridge Village Center was sold to the Edwards Realty Company and Core Acquisitions on January 24, 2019. Edwards Realty Company, which owns several popular outdoor lifestyle and mixed-use centers, and Core Acquisitions, which has a successful track record of acquiring and repositioning commercial real estate assets in the retail, office, industrial and multi-family property sectors, have entered into a joint

venture to revitalize the Burr Ridge Village Center. Plans are in the works already to "take it beyond brick and mortar, and the four walls of a store."
