## Got Extra Coats? Give To Allegiance Insurance Services Coat Drive!

Do you have extra coats lying around that you don't use anymore? Coats that the kids have outgrown? Allegiance Insurance Services is hosting a coat drive! They've teamed up with an organization called "One Warm Coat" to collect coats and distribute them to those who need them. Their goal is to raise at least \$500 and donate at least 300 coats! Now that's a lofty goal, but definitely doable! If you're interested in donating money - or a warm coat - you may drop the donation or coat off at their office, located at 100 Tower Drive, Suite 120 in Burr Ridge. **The Coat Drive continues until January 15 - that's Tuesday!!!**

## Taking Down Your Holiday Lights? Old? Not Working? Recycle Them!!

Holiday lights can be dropped off for recycling at the Electronics Recycling Center located at 451 Commerce Street, Burr Ridge, and a drop-off box is also available outside the Village Hall at 7660 S. County Line Road. Lights will be accepted in marked boxes at these two locations until March 29, 2019. All colors and lengths, as well as extension cords, are accepted. Lights do not need to be working. Other Electronic Recycling items may be dropped off at the 451 Commerce Location, but will **NOT** be accepted at the Village Hall.

## Read Books With The Indian Prairie Public Library's "Winter Read" Program

Read with the Indian Prairie Public Library this winter! The Winter Read is now underway through Friday, Feb. 8. Just like their popular summer reading program, you can read to win gift certificates and other prizes. It's easy to be part of the Winter Read. • Stop by one of the Ask Us Desks to pick up a book log. • Set a reading goal. • Read books. • Return the log to the library for a chance to win prizes. **Special offer for kids and teens who participate in the Winter Read:** If there are fines on a youth card, they can help. Those under the age of 17 who present their Winter Read book log to the Checkout Desk before Friday, Jan. 18, will get their fines cleared. Note: IPPL is only able to remove fines, not the replacement cost of lost items.
