

## **Live Christmas Tree Disposal Included in Your Scavenger Services, This Week & Next (1/4-5 and 1/11-12)**

As part of the new Scavenger Agreement, you may leave your undecorated, stripped tree out with your garbage this week (1/4-5) and next week (1/11-12) on your regularly scheduled collection day - either Thursday or Friday. The Groot Refuse trucks will be out collecting your regular refuse as well as the trees **only** this week and next, so now is the time to take advantage of this service! Please be sure that all decorations, lights, and tinsel are removed from the tree. You can recycle your lights at the Village Hall or Public Works Holiday Lights Collection boxes as well.
