

BURR RIDGE OAK LEAF AUGUST 2021

TASTE
OF **BURR RIDGE**

BURR RIDGE VILLAGE CENTER
OCTOBER 9TH & 10TH

A NOTE FROM OUR ADMINISTRATOR

The Village greatly appreciates your patience as we have taken time over the past month to re-design much of our communications portfolio for the betterment of our residents.

Our weekly E-Briefs newsletter has been eliminated while our monthly Oak Leaf newsletter has been expanded to provide you with the most important Village information, news, and events on a bi-weekly basis.

I also strongly encourage you to follow us on our social media channels to stay up-to-date on Village happenings-we plan to push more and more good stuff into the community on Facebook and Twitter!

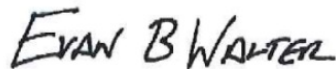

As summer continues, we encourage you to frequent one of our fine restaurants in the Village and see all of your friends while the weather remains pleasant.

We are looking forward to connecting with you at the return of the **Concerts on The Village Green**, tonight from 7:00 p.m. to 8:30 p.m.

Also, mark your calendars for the **Taste of Burr Ridge** (Oct. 9 & 10th), an exciting, new event at Burr Ridge Village Center. For tickets or sponsorship opportunities, please **click here**.

We are so thankful for your support and appreciative of the opportunity to serve you at the Village. We look forward to connecting with you in the future over one of our re-designed communications platforms, in person, or wherever else we find each other in Burr Ridge: A Very Special Place!

Sincerely,

Evan Walter
Village Administrator

COMMUNITY

Meet our new Community Engagement Analyst, Hannah!

Hannah came to Burr Ridge in November 2020 through an internship as part of the Masters in Public Administration program from Northern Illinois University. Before joining us, she held a career in the private sector, building on her skills in customer engagement, community outreach, and leadership.

We welcome Hannah to our team in service to the community!

Additionally, our Public Works Department is providing free, environmentally-friendly landscaping materials.

Compost and wood chips are available and piled on 400 Commerce Street for easy pick up at any time of the day.

You must load the material yourself, so please bring shovels and containers.

VILLAGE NEWS

The DuPage County Health Department strongly endorses the recently updated CDC masking guidance which recommends everyone, including fully-vaccinated individuals, wear a mask in public indoor settings in areas with substantial and high transmission.

For more information, visit dupagehealth.org or
