

Join the Village's reforestation efforts by ordering trees for fall planting in your yard. The trees are purchased through the Suburban Tree Consortium (STC), which is comprised of 30 municipalities in the western suburbs who banded together to contract with Wilson Nurseries of Hampshire, Illinois. Although there is no guarantee that accompanies the trees, mortality within the consortium has been approximately 1 % in recent years.

Because the trees will be dormant at the time of delivery, conditions will be ideal for the development of a healthy root system. However, since deliveries are not until late October, residents are urged to plant their trees promptly after receiving them to avoid any danger of freezing or drying. Since the trees are grown locally, they are well-adjusted to soil conditions. Also, since they are balled and burlapped, the trees adapt more readily to their new location and do not require extensive pruning.

Please remember that under the provisions of the Village's tree regulations, a permit must be obtained if any of the trees purchased through this program are to be planted in the parkway. There is no fee for the permit; however, your application should be approved before you accept delivery.

As shown on the order form, the following trees will be available for purchase. Some quantities are limited and are first come, first serve.

Redpointe Maple (\$207) - Size 30ft x 45ft, beautiful pyramidal maple with a relatively carefree growth habit, narrower than others, making it an excellent large shade tree for more compact landscapes. Highly adaptable, pest and disease-free, and resistant to leaf chlorosis. Dark green, heat resistant foliage turns a brilliant red in early autumn. Excellent cold hardiness.

Common Hackberry (\$194) - Size 75ft x 100ft, The common hackberry is easily distinguished from elms and some other hackberries by its cork-like bark with wart-like protuberances. The leaves are distinctly asymmetrical and coarse-textured. It produces small fruits that turn orange-red to dark purple in the autumn, often staying on the trees for several months. Yellow fall color.

Triumph Elm (\$207) - Size 35ft x 50ft, This Elm is distinctly upright vase shaped with glossy green leaves and a yellow fall color.

Orders must be placed no later than Tuesday, October 1st, 2019. There is a delivery fee of \$10/tree. Tree delivery will begin after October 16th and trees will only be delivered to the driveway. Residents will be contacted prior to delivery. We cannot make arrangements for special deliveries at another time. Delivery may be delayed if it rains. If this happens, residents who ordered trees will be notified by telephone and given another delivery date.

FALL BRUSH PICKUP

Begins **Monday, October 28th**. Please have all branches at the curb no later than 7:00 a.m. This applies to the entire village. For more information and program details, visit www.burr-ridge.gov or call Public Works at (630) 323-4733.

39th ANNUAL TREE PROGRAM ORDER FORM
 Village of Burr Ridge, 7660 County Line Road, Burr Ridge, Illinois 60527

Name: _____

Phone: _____

Email: _____

Address: _____

Date: _____
