# Burglaries and Auto Thefts in Chicago Suburbs

There has been an increase in property crimes in suburban Cook, DuPage, and Will counties over the last three months. The offenders are often armed with guns, and in some instances have fired their guns at victims (this has NOT happened in Burr Ridge) Most recently in Burr Ridge, an armed offender was seen entering a resident's garage around 4:00 PM on a weekday during a burglary attempt. There was no confrontation and no one was harmed. The offenders are becoming more brazen and active outside of nighttime hours. You can help protect yourself and help the Police prevent and respond to these types of crimes.
